

Electronic Waste Recycling

(WEEKLY)

WHAT IS IT?

Electronic waste or E-waste is unwanted or discarded electronic devices.

WHY RECYCLE IT?

E-waste contains materials that are valuable to reuse, recycle or refurbish. However, some components of E-waste contain materials that are hazardous to people and the environment if not disposed of properly.

WHERE DO I RECYCLE IT?

E-Waste recycling is offered 6 days a week at the facilities listed below. E-waste bins are in self-unloading areas.
